Johnny's Pathfinder Award

Congratulations, you've found Johnny's Toy Shop. See, it wasn't so hard . . . across the suspension bridge, then out Madison Avenue, Route 177 to 3719 Decoursey Avenue in Latonia, Kentucky. Now that you've proven your excellent sense of direction, we hope you enjoy all the discount prices on our three floors of toys. If you get lost here in the store, just shout and we'll point you towards the parking lot.
